Fill in this hundred square.
 Colour all the even numbers **RED**.
 Colour all the odd numbers **BLUE**.
 What patterns can you see?

This Hundred square is different. Look carefully at how the numbers are arranged. They are in a **zig-zag**. Write all the numbers in to finish it.
 Colour the even numbers **RED**
 Colour the odd numbers **BLUE**.

Is the pattern the same?

Yes / No

What is the pattern now?

0	1	2	3	4	5	6	7	8	9
19					14	13	12	11	10
20	21	22	23						29
39							32	31	30
40									49
59									50
60									69
79									70
80									89
99									90

Can you think **WHY** the pattern is different? Can you see any other differences?
