

In each of these grids, count in 2s and colour the number you land on.
 Put a ring round the word that describes the pattern.
 What happens to the pattern? Will the next grid be striped or checked?

1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16

4x4 grid
 The pattern is

striped **checked**

1	2	3	4	5
6	7	8	9	10
11	12	13	14	15
16	17	18	19	20
21	22	23	24	25

5x5 grid
 The pattern is

striped **checked**

1	2	3	4	5	6
7	8	9	10	11	12
13	14	15	16	17	18
19	20	21	22	23	24
25	26	27	28	29	30
31	32	33	34	35	36

*I predict
 that on the 7x7 grid
 The pattern will be*

striped **checked**

6x6 grid
 The pattern is

striped **checked**

Are you
 right?

Have you coloured odd or even numbers?
