

Can you record how many hundreds, tens and units are on each abacus and write the number?

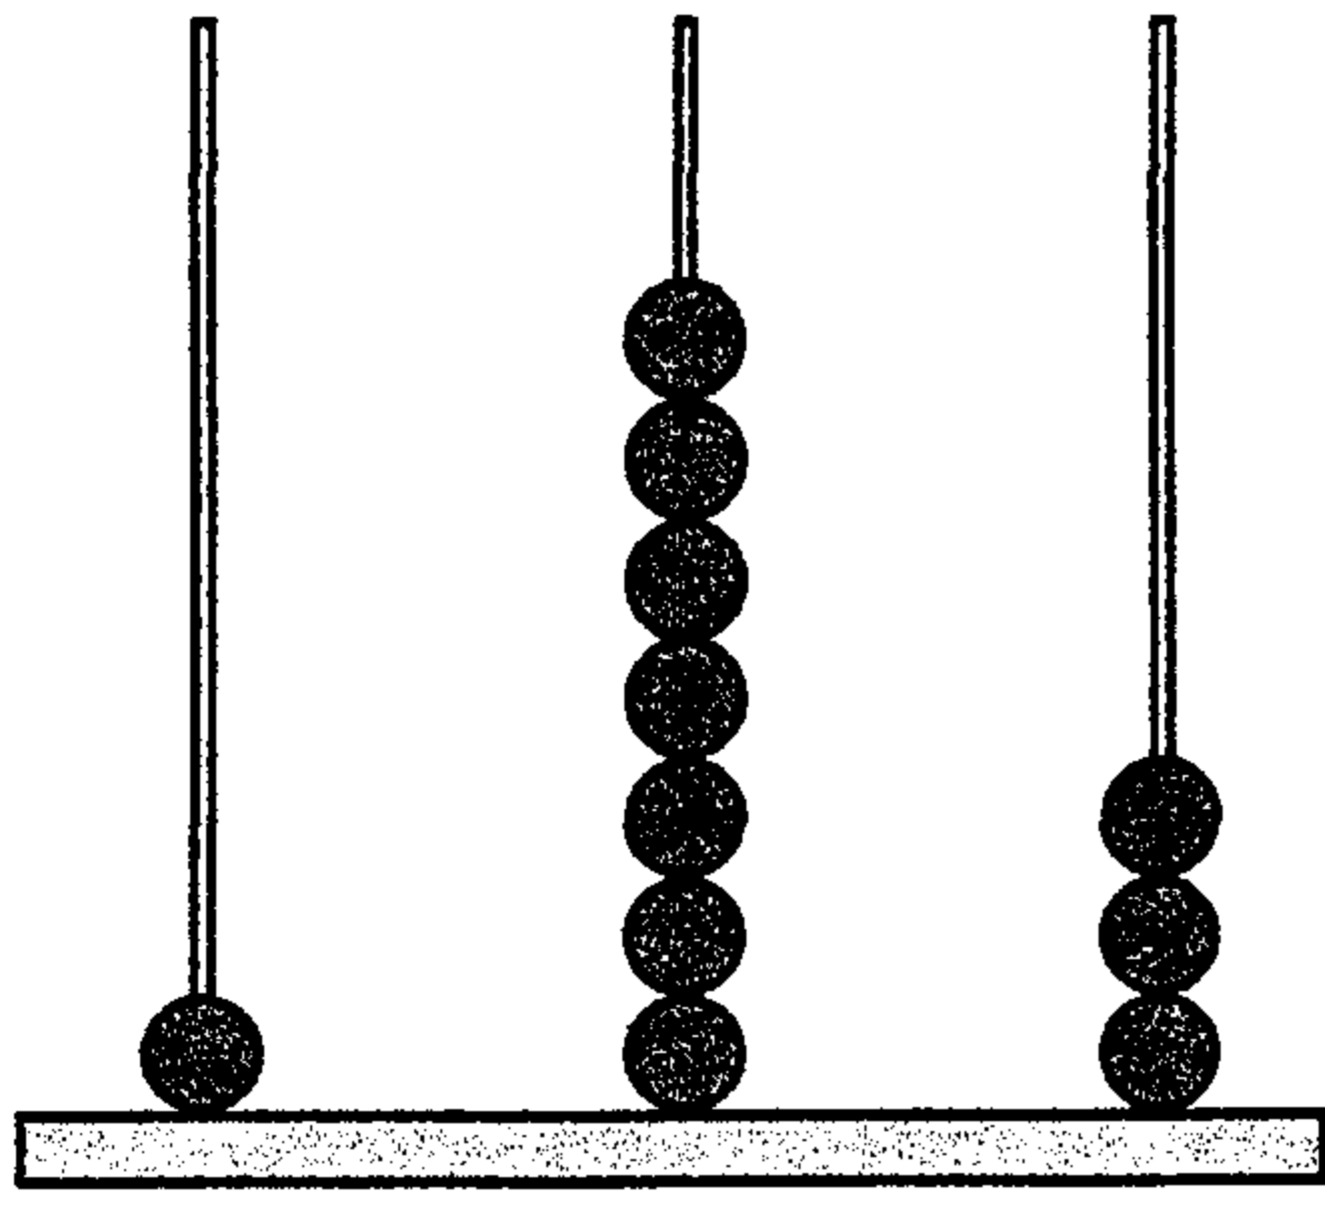

$$\boxed{300} + \boxed{50} + \boxed{2} = \boxed{}$$

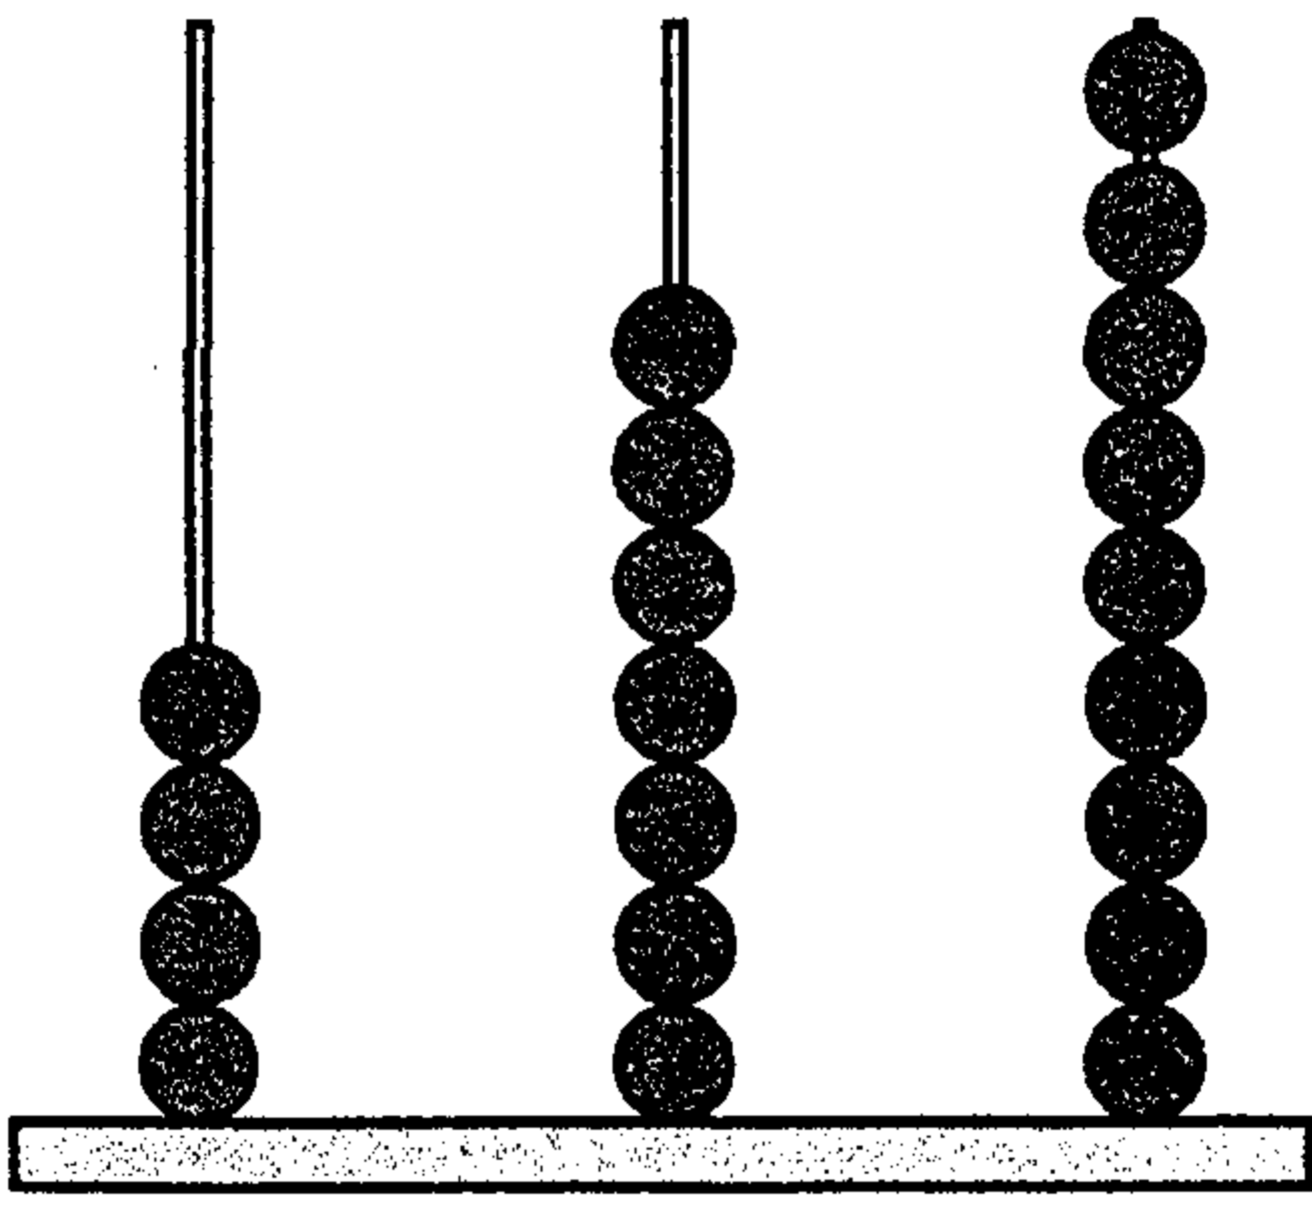

$$\boxed{} + \boxed{} + \boxed{} = \boxed{}$$

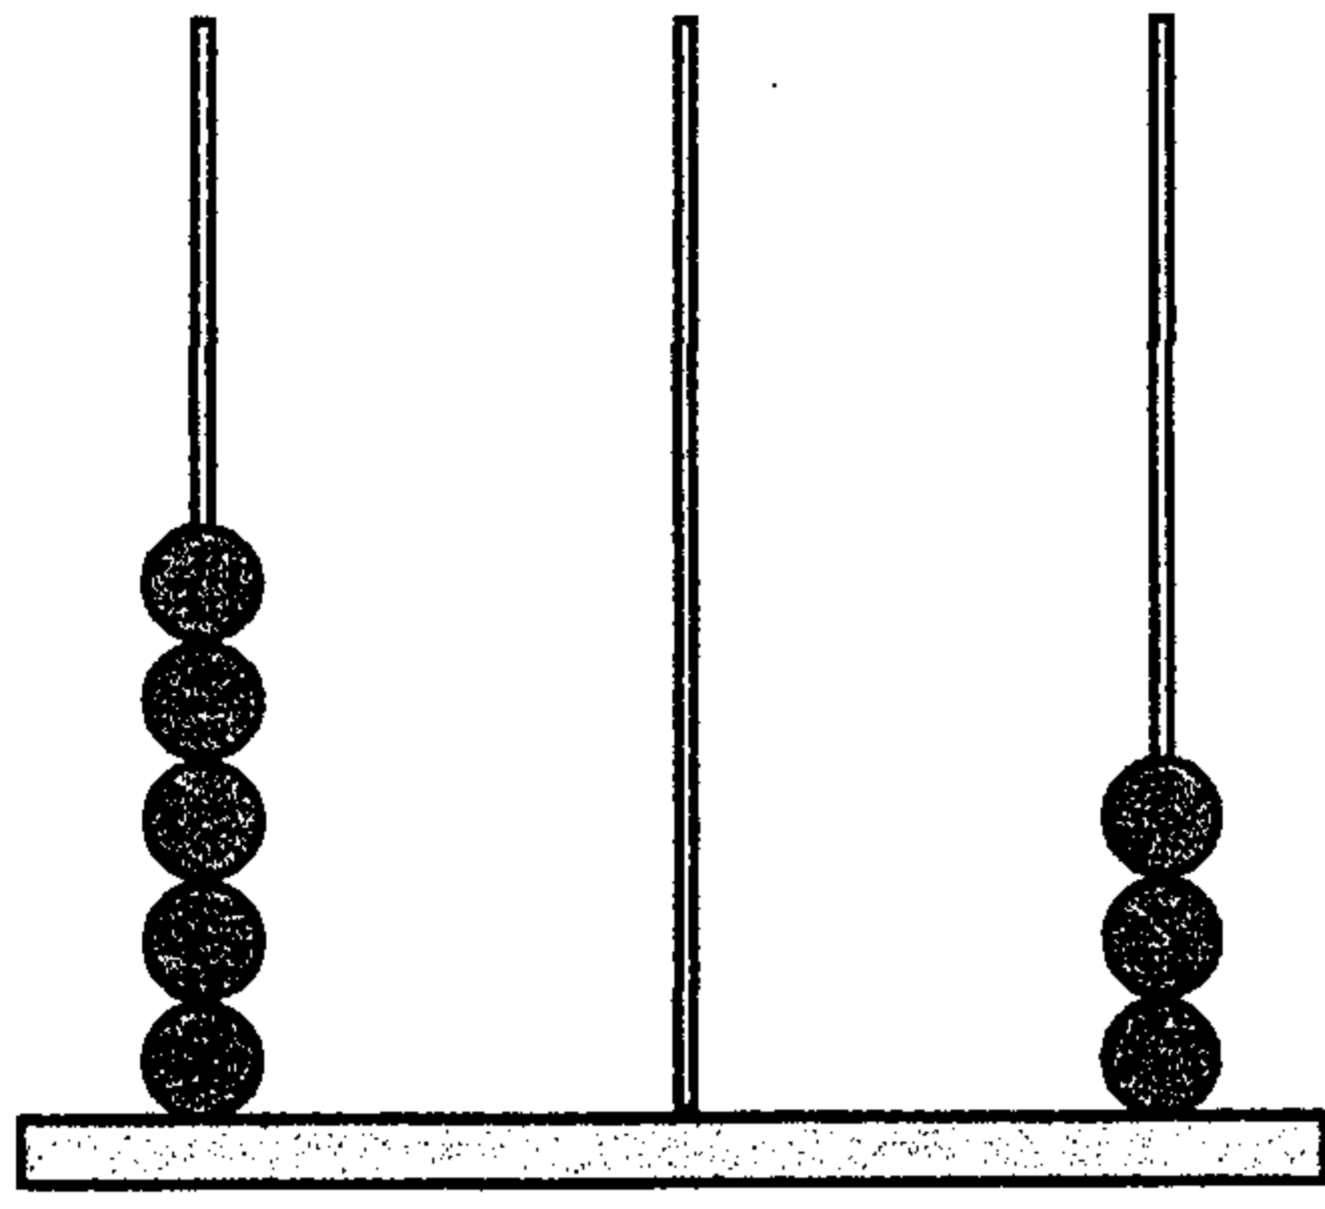

$$\boxed{} + \boxed{} + \boxed{} = \boxed{}$$

$$\boxed{} + \boxed{} + \boxed{} = \boxed{}$$

$$\boxed{} + \boxed{} + \boxed{} = \boxed{}$$

$$\boxed{} + \boxed{} + \boxed{} = \boxed{}$$
